

of facilities to the donor, the qualification of all or any part of such payment or transfer as a contribution under section 170(c) shall determine whether and to what extent such payment or transfer constitutes a *contribution* under section 507(d)(2).

(2) *Valuation of contributions and bequests.* Each contribution or bequest to a private foundation shall be valued at fair market value when actually received by the private foundation.

(3) *Contributions and bequests by a spouse.* An individual shall be considered, for purposes of this section, to have made all contributions and bequests made by his spouse during the period of their marriage. Thus, for example, where W contributed \$500,000 to P, a private foundation, in 1941 and that amount exceeded 2 percent of the total contributions received by P as of the end of P's first taxable year ending after October 9, 1969, H (W's spouse at the time of the 1941 gift) is considered to have made such contribution (even if W died prior to October 9, 1969, or their marriage was otherwise terminated prior to such date). Similarly, any bequest or devise shall be treated as having been made by the decedent's surviving spouse.

§ 1.507-7 Value of assets.

(a) *In general.* For purposes of section 507(c), the value of the net assets shall be determined at whichever time such value is higher:

(1) The first day on which action is taken by the organization which culminates in its ceasing to be a private foundation, or

(2) The date on which it ceases to be a private foundation.

(b) *Valuation dates.* (1) In the case of a termination under section 507(a)(1), the date referred to in paragraph (a)(1) of this section shall be the date on which the terminating foundation gives the notification described in section 507(a)(1).

(2) In the case of a termination under section 507(a)(2), the date referred to in paragraph (a)(1) of this section shall be the date of occurrence of the willful and flagrant act (or failure to act) or the first of the series of willful re-

peated acts (or failures to act) giving rise to liability for tax under chapter 42 and the imposition of tax under section 507(a)(2).

(c) *Fair market value.* For purposes of this section, fair market value shall be determined pursuant to the provisions of § 53.4942(a)-2(c)(4) of this chapter.

(d) *Net assets.* For purposes of section 507 and the regulations thereunder, the term *net assets* shall mean the gross assets of a private foundation reduced by all liabilities of the foundation, including appropriate estimated and contingent liabilities. Thus, a determination of net assets may reflect reductions for any liability or contingent liability for tax imposed upon the private foundation under chapter 42 with respect to acts or failures to act prior to termination, for any liability or contingent liability for failures to correct such acts or failures to act, or for any liability or estimated or contingent liability with respect to expenses associated with winding up the organization. If a private foundation's determination of net assets reflects any reduction for any estimated or contingent liability, such private foundation must establish, to the satisfaction of the Commissioner, the reasonableness of such reduction. If the amount of net assets reflects a reduction for any estimated or contingent liability, at the earlier of the final determination of the contingency or the termination of a reasonable time, any excess of the amount by which the gross assets was reduced over the amount of the liability shall be treated in the same manner as if such excess had been considered part of the net assets.

§ 1.507-8 Liability in case of transfers.

For purposes of determining liability for the tax imposed under section 507(c) in the case of assets transferred by the private foundation, such tax shall be deemed to have been imposed on the first day on which action is taken by the organization which culminates in its ceasing to be a private foundation. If an organization's private foundation status is terminated under section 507(a)(2), the first day on which action is taken which culminates in its ceasing to be a private foundation (within
